

CARTS 25 is an intercity flexible transit route. That means it will pick you up from the curb in one town and drop you off at your destination in another town.

To make a reservation, call the TripLink Call Center at 503-315-5544. Your origin and destination must be within ³/₄ mile of a CARTS bus stop. In Woodburn and Silverton you can then connect with local bus service.

To Woodburn

Silverton	Mt Angel	Woodburn
<i>Morning</i>
